Klingler's has delighted the Birmingham area with European-style baked goods since 1982. In the early days of the operation, we dealt exclusively with restaurants and hotels. In 1987, Klingler's emerged into the retail market with a bakery in Alabaster. Later, this store began to carry imported deli products and serve authentic German Cuisine. Consumer demand for a larger facility prompted the move to Vestavia Hills in the summer of 1991.

Klingler's is a family owned and operated business. We use nothing but the freshest and highest quality ingredients. It is our company goal to continually serve our guests with Honesty, Dependability, and Respect.
Klingler's is in business to serve the public and we appreciate your comments and suggestions so that we may perform this task to your satisfaction. Thank you for dining with us and we hope to see you again real soon!
